Dear Friends:

Grief is a natural response to the loss of a loved one. Sharing your feelings and fears in a supportive, caring environment may help ease the process of grief. Comfort can be found with other bereaved families facing loss.

Rice Hospice will be offering “Healing Hearts Bereavement Support Groups” for individuals who have experienced the death of a loved one. Holidays can be difficult but the pain may be lessened when shared with others. We will be discussing grief pertaining to the upcoming holidays and how we can prepare for it.
